## **Adelaide Surgery Flu Vaccine Arrangements – Western Approach Ground Floor Carpark**

As you are probably aware, this year will be a very challenging year for delivering the flu vaccine program. We are writing to you with the arrangements for booking and attending. Adelaide Surgery sadly does not allow for mass vaccination clinics to be undertaken safely therefore we along with many other surgeries in the city are going to run our Saturday morning clinics out of the Western Approach / Toys R Us Carpark. This offers a safe, dry, nearby facility for our patients to attend. In this clinic we hope to vaccinate the majority of our patients. You may also be offered an appointment at the surgery however this will still follow the same flu clinic guidance and you will have to queue outside.

We have allocated set times and dates for our flu clinics, please contact the surgery to book your appointment. Please note due to the limitations caused by covid we will be unable to offer alternative appointments to those dedicated times.

When you attend please:

- Attend on your own unless you need help in mobilising.
- Allow time for parking as parking is limited and it will be busy
- Do not arrive early or late for your appointment time: we have allocated a strict number of patients per period to ensure that people are queueing for the minimum of time and social distancing is maintained.
- Please be prepared to wait as this will be new to all of us
- Please wear a face covering.
- Please follow the instructions for queuing. The queue will be controlled to ensure social distancing.
- If you are attending the surgery please bring an umbrella as you will be waiting outside
- Wear clothing which makes it easy to expose your upper arm.
- Do not attend if you or any members of your household have symptoms of coronavirus, or if you have been told to isolate
- These clinics are for flu vaccines only and we will be unable to discuss anything else during this time. Reception will not be open

If you do not wish to take up the offer of a flu vaccine please let us know.

Thank you for your cooperation.

Yours sincerely

Adelaide & St Levan Surgery

**If you are a smoker do you know we offer a smoking cessation service here at the surgery? Please ask reception for more information.**
